

# What Camp Looks Like ...

**Welcome to CCK!** Your child/family will be housed in one of our four lodges. Cubby, our mascot, has marked each lodge with his paw print. You will either be in the Blue Lodge, Red Lodge (shown with the red paw print), Green Lodge or Yellow Lodge.

Each Lodge has 8 dens. Each den has its own bathroom. In **Summer Camp**, your child will be in a den with other children of similar age (no bunk beds). In a **Family Retreat**, your family will have your own den. Bed rails are available if needed. (We do not have hospital beds or cribs).
